Are you ready to kick start your career?

We’re excited to share details of our diversity Tech insight programs taking place this April. These targeted programs offer opportunities for freshmen and sophomore students who want the unique insight into how you can use your computer science and computer engineering degree to make an impact on a global scale.

Visit our website to learn more about these great programs:

Inspire – Women who Tech: go.bofa.com/InspireTech18
Ignite with Tech: go.bofa.com/IgniteTech18

Diversity Insight Programs
