ExxonMobil LOFT Fellowship Application

Exxon Mobil Corporation, one of the world’s largest publicly traded International oil & gas companies, has partnered with the Hispanic Heritage Foundation (HHF) to create fellowships in STEM fields (Science, Technology, Engineering, and Math) for Hispanic college students. Through HHF’s Latinos On Fast Track (LOFT) program, ExxonMobil seeks to nurture motivated college students across the country, with a passion for Engineering and Science.

Selected students will be exposed to a top quality company by participating in this signature mentoring program. Each student will be paired up with one of ExxonMobil engineers/scientists to learn how their knowledge is applied in a corporate setting.

Fellowship Components
The Fellowship consists of five 1-hour meetings with a mentor (virtual or in person), participation in the Harvard-certified ExxonMobil mentee program (on-line), an exclusive curriculum to introduce Fellows to the organization and company career opportunities, and a $1,000 educational grant. In addition, there exists the possibility to interview for ExxonMobil positions (internships/full-time) upon successful completion of the Fellowship.
