

COMPUTER SCIENCE TRANSFER PLAN #1 (TENTATIVE)

Assumes student has completed all Physics, Math (except 61), CS 31, CS 32, English Composition, and GE requirements

Please Note: This are just two examples of what your curriculum *might* look like based on requirements from the 2016-17 school year. Requirements can be subject to change for the 2017-18 school year. Once school has started, you can meet with a counselor from your major to come up with an individualized course plan based on your specific transfer credit. Students are not guaranteed to get any specific class during any specific quarter.
