Walter Reed Middle School is looking for graduate students to teach Science Bowl.

The candidates would need to tutor two Wednesdays a month, 3:20 - 4:20 p.m. (will pay $55 each time), should be comfortable with AP sciences (biology, chemistry, physics, environmental science) and plan on tutoring 8th graders (10-12 students), mostly on chemistry and every and the latest on US Dept. of Energy.

Please email Jinny.Jung@lausd.net if you are interested.
