

**Interested in a 2013 summer internship?  
Consider the Science Undergraduate Laboratory Internship Program  
(SULI)  
and Community College Internship Program (CCI)  
at Oak Ridge National Laboratory (ORNL)!**

**The deadline to apply is January 10!**

Apply online now at [http://science.energy.gov/wdts/!](http://science.energy.gov/wdts/)

ORNL is the largest science and energy laboratory in the Department of Energy system. Scientific programs focus of materials, neutron sciences, energy, high-performance computing, systems biology and national security. Visit <http://www.youtube.com/watch?v=NSCdUJ8cavw> to discover some exciting reasons why ORNL offers a great internship experience!

Benefits of the programs include:

- 10 weeks (June 3-August 9) engaged in a research (SULI)/technical project (CCI) under the direction of a laboratory scientist or engineer
- career development workshops and laboratory tours
- stipend of \$500 per week
- travel reimbursement and housing allowance (for those who qualify)

Contact Julie Malicoat at [Julie.Malicoat@ornl.gov](mailto:Julie.Malicoat@ornl.gov) for additional information!
