

B.S. in Aerospace Engineering Curriculum

Note: Students must choose one track (Aeronautics or Space) and take all four courses from that track. Students must also take one course from the track not chosen as well as one additional MAE elective of their choice. Please refer to the MAE Term Offerings link for class offerings updates: <https://www.seasoasa.ucla.edu/mae-course-term-offerings/>
Updated 6/4/2018. Requisites are subject to change and students should review them before enrollment each quarter
