

ATTENTION UNDERGRADUATE ENGINEERING STUDENTS

The 2012-2013 HSSEAS Scholarships Application is now available (online only):
<http://www.seasoasa.ucla.edu/student-opportunities/scholarships-for-undergraduates>

Applications must be completed online by 5:00pm, Monday, November 5th, 2012.

All information about the specifics and parameters of the application can be found in the FAQ. Please read the FAQ PRIOR to completing your application (<http://www.seasoasa.ucla.edu/student-opportunities/scholarships-for-undergraduates/2012-2013-faq-for-hsseas-scholarships>).

Incomplete, formatted wrong, or late applications will NOT be considered. No exceptions.

There are over 100 available scholarships ranging from awards of \$400 to \$8,000. Total scholarship monies available for award is over \$400,000. And you can apply to as many as you are eligible for with one easy application! Don't miss out on this opportunity! (These need-based and merit scholarships are restricted to current HSSEAS students only and are available for all class levels, and majors with in the School. See list of specific available scholarships in the application for other eligibility criteria).

The Scholarship Resource Center will be hosting:

Workshop specifically for HSSEAS students applying for the 2012-2013 HSSEAS Scholarships

Next Week, Tuesday October 16, 2012

3-4:15pm

in Covell Commons 230.

Please RSVP to attend: <https://ccle.ucla.edu/mod/questionnaire/view.php?id=74546>

HSSEAS students are highly encouraged to stop by the SRC prior to the application due date for assistance, in addition to attending the HSSEAS SRC workshop. Please note that week 5 & 6 are very busy at the SRC, so stopping by week 3 & 4 is advised: <http://scholarshipcenter.ucla.edu/> We highly recommend students visit the Scholarship Resource Center for assistance with writing essays and completing applications.
