

## Aerospace (Space Track) Transfer Plan #1 (Tentative)

Assumes student has completed all Math, Chemistry, Physics, Programming (MECH&AE M20 or CS 31), English Composition, GE requirements, along with MECH&AE 101 and MECH&AE 103 in Summer prior to their first Fall quarter at UCLA.

Please Note: These are just two examples of what your curriculum might look like based on requirements from the 2025-26 school year. Requirements can be subject to change for the 2026-27 school year. Once school has started, you can meet with a counselor from your major to create an individualized course plan based on your specific transfer credit. Students are not guaranteed to get any specific class during any specific quarter.
