Have stayed involved with UCLA

# RIDE ENGINEERING

IMAGINEERING

# Mohammed Husain One Slider

- Graduated B.S. Aerospace Engineering in 2017
  - UCLA Residential Life (RA)
  - Engineering Ambassadors
  - Engineering Society of UCLA
- 3 years of automotive experience
  - Porsche
  - Karma Automotive
  - Mercedes-Benz Research & Development, NA
- Currently: Developmental Engineer at National Reconnaissance Office
- Interests
  - Skiing
  - Green tea

PORSCHE

Mercedes-Benz

# Tara Kawai

---

## UCLA ALUM

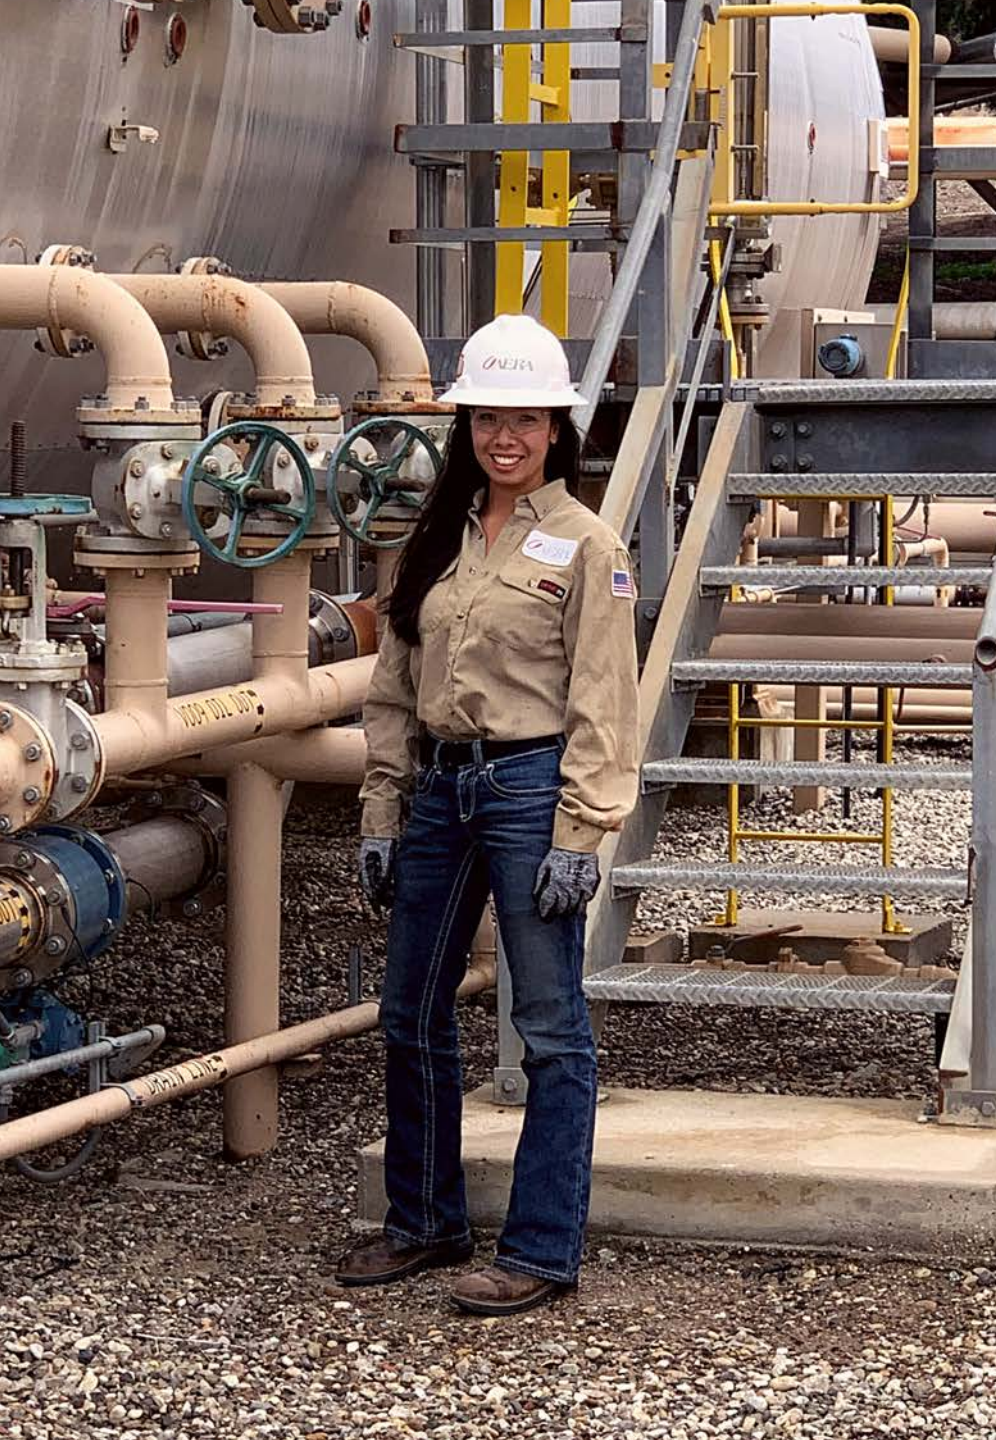

- Aerospace Engineering, B.S. '17  
Asian American Studies Minor
- Systems Engineering, M.S. '21  
Cybersecurity Certificate

## STUDENT INVOLVEMENT

- President of AIAA at UCLA
- Rocket Project at UCLA
- NSU Modern
- Nikkei Student Union

## EMPLOYMENT

- Systems Engineer, Northrop Grumman Defense Systems
- Support US Navy and US Air Force
  - In-country support to customers in Italy,  
Germany, Australia, South Korea

# JESSICA LEUNG

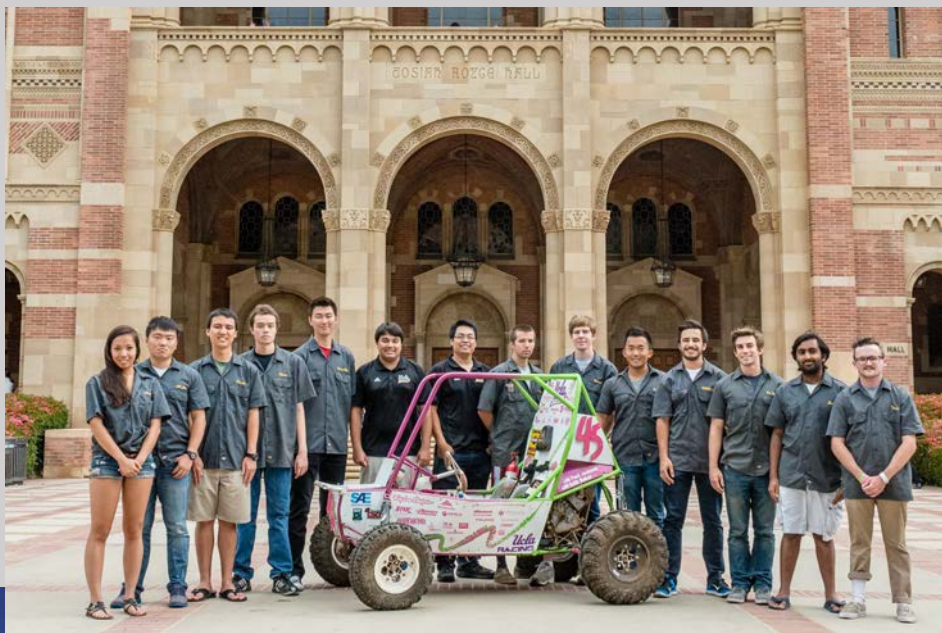

2015 Alumni

**MAJOR** Undeclared engineering → mechanical engineering

**STUDENT** Bruin Racing | Baja SAE  
**ACTIVITIES** Society of Women Engineers  
UCLA Archery Team  
Tau Beta Pi

**EMPLOYMENT** Facilities Engineer @ Aera Energy LLC

# Nirav Mehta

Class of 2016

---

**Major** Aerospace Engineering

**Student Activities** Bruin Racing | Baja SAE Team Principal  
UCLA Residential Life Resident Assistant  
Entrepreneurship Coursework

**Employment** Program Manager, Tyvak  
Strategy Analyst, Northrop Grumman  
Systems Engineer, Northrop Grumman  
Project Manager, Romeo Power  
Project Manager, Votaw Precision  
PCBA Supply Chain, Faraday Future

# Will Rehrig

---

- B.S. Mechanical Engineering, Class of '93
- President of 4<sup>th</sup> generation family manufacturing business. Rehrig Pacific Company was founded in downtown Los Angeles in 1913. We supply fortune 500 companies with products, service and technology solutions to improve their supply chains.
- A UCLA engineering degree has been huge advantage in understanding both the operational and business sides of the company. Problem solving skills are invaluable.
- My time at UCLA enriched me with a great education and life-long friendships.

# NORMAN TOLENTINO

Aerospace Engineering

UCLA Class of '97
