

BetterWorks - 50 New Positions

BetterWorks is founded by Zao, creator of Farmville, Geoge, co-founder of Yammer and Geni, early PayPal, and Paige, founder of Lincolne Group. The goal of the platform is to enable employer to manage the perk benefit they offer to their employee, and improve employee engagement - thus our motto: Make Work Rewarding. We are looking for talented individuals who are passionate about technology and want to be part of a company that would put a smile on thousands of employees' face.
