

Boeing Position

The LTO test asset management division of Boeing will be conducting a wall to wall inventory of test assets beginning the 3rd week of September (11th -- 17th) and lasting between 1 and 3 month time. We are looking for contract employees to assist with the inventory, who can pass the Boeing Staffing requirements;

Strong work ethic.

The ability to perform fast accurate data entry of Boeing asset data with minimal oversight.

*Solid computer knowledge and experience required. *

Able to lift and manipulate equipment weighing up to 30 pounds and stand for prolonged periods of time.

Work 40 hours a week with some Saturdays, (we're flexible and will work around some schedules and commitments)

This is a full-time, but temporary position. The likely wage will be \$15/hour. We are interested in college students and recent graduates who could use temporary work, an excellent networking opportunity, and a great addition to any resume. We are looking to fill 20 positions. Candidates must be United States citizens. If you are interested in this opportunity, please send your resume to Brian.W.Schoenleber@Boeing.com.
