HOUSING AND FOOD STIPEND PROVIDED

INTERVIEWING NOW FOR FALL SEMESTER IN MOAB, UT.

July 15th - December 15th

Community Rebuilds is a non-profit organization based out of Moab, UT. Our mission is to build energy efficient housing, provide education on sustainability and improve the housing conditions of the workforce through an affordable program.

Community Rebuilds' student education program consists of building two straw bale homes simultaneously from foundation to finish. Interns will learn about natural building including straw bale walls, earthen plasters, adobe floors, solar photovoltaics and permaculture.
