

Electrical Engineer Career Opportunity

Ventura, CA

SloanLED is a rapidly growing industry leader in low-power, solid state LED (Light Emitting Diode) lighting systems. Drawing on our experience and expertise with LEDs we have developed a broad range of products for use in a wide array of industries. Key markets include commercial signage, architectural projects and illumination for spas, aircraft and automobiles. Our LED-based products provide high reliability, energy efficient, maintenance free and cost effective lighting solutions to our world-wide base of customers. SloanLED is widely recognized in the markets it serves for high-quality products, excellent customer service and strong technical support. For more information, please visit <http://www.sloanled.com>. As a result of our explosive growth we have an immediate opening for an experienced Electrical Engineer.

This engineer will be a key member of our engineering development team that designs and develops electrical circuits, power supplies, wiring and test systems for commercial uses of LEDs. In addition to individual engineering tasks this team member will work with customers, coordinate consulting teams, and advise junior engineers. This hands-on position will fill a critical role on our close-knit engineering team.

Responsibilities

- Power supply design, development, qualification, and regulatory compliance (UL and CE)
- PCB design
- Test and analysis
- Analog and digital circuit design, testing, and troubleshooting
- Provide technical guidance for product road map

Skills

- Recent graduate with BSEE and/or MSEE encouraged to apply
- Analog and digital electronics design
- Experience with power supply electronics
- Hands-on electronic troubleshooting

- Ability to work in a team environment
- PSpice experience a plus
- Reliability test lab experience a plus

Required Education

- BS in Electrical Engineering

The selected engineer will have the opportunity join our growing team that takes pride in their customer oriented team approach. SloanLED offers a compensation package that includes company sponsored health benefits, a company matching 401k plan, competitive salary, holidays, vacation and casual attire. Our offer for employment for this position will not include company sponsored relocation.

If you are interested in being a part of our team we would like you to contact us at SloanLED by emailing your resume and cover letter that includes your salary history to jortiz@sloanled.com.
