

Engineering Experts/Cast Members for Proposed TV Series

A Los Angeles-based television production company is seeking youthful scientific experts to appear on camera as team members for a proposed TV series. Qualities of a strong candidate include:

- Flexibility with their time recent or upcoming graduates (from graduate or undergraduate programs) or graduate students with adaptable schedules are preferred.
- Knowledge of electrical or structural engineering issues and concepts and the ability to conduct assessments in the field and explain the results and concepts concisely and engagingly on camera.
- Open-mindedness about the paranormal and the willingness to explore all sides and explanations of an issue or event. Skeptics or people who have previously engaged in paranormal research should not apply.
- A likeable, energetic personality that will be appealing on camera.
- The ability to be a team player.
- The willingness to travel and deal with long hours as part of a TV production.
- **BILINGUAL CANDIDATES (FLUENT IN SPANISH/ENGLISH) STRONGLY PREFERRED.**

This will be a paid position salary and hours to be determined.

Qualified candidates to email resumes/CVs and contact information to djacobs7@social.rr.com at their earliest convenience. **DO NOT CONTACT THE PRODUCTION COMPANY.**
