

**UCLA Samueli School of Engineering &
Counseling and Psychological Services (CAPS)**

Virtual Engineering CAPS Satellite

Free, confidential, brief support for students within
the School of Engineering via zoom

Weeks 2-10

Wednesdays 10-12pm & Thursdays 2-4pm

To schedule:

**Call the CAPS Front Desk (310) 825-0768
and indicate Engineering Satellite**

The UCLA Samueli School of Engineering is Partnering with Counseling and Psychological Services (CAPS) to offer free, confidential, brief support for students within the School of Engineering. Speaking to a counselor in a confidential setting can help you to access support, provide perspective, help you to explore resources and options, and discuss how counseling might be helpful.
