

## **Environmental Inspection Service**

Samuel Harreschou works for the Environmental Inspection Service, an environmental consulting company based out of Santa Monica and soon to be expanding into Berkeley. Mr. Harreschou is looking to hire a UCLA undergraduate student who is either graduating this semester or at minimum has junior standing for the following position:

- Environmental Consultant Trainee
- Assist in lead/asbestos/radon surveys on residential and commercial properties throughout the Bay Area
- We will provide funding for State certifications including:
  - Radon measurement technician (RMT)
  - Lead sampling technician (LST)
  - Certified Site Surveillance Technician (CSST for asbestos)
- Upward mobility within the company
- 20 to 30 hours per week
- Starting at \$15 per hour (wage goes up with increased training and responsibilities)
- Strong interpersonal skills are a must since he/she will be interfacing directly with clients while present on their properties
- Looking for a rising junior through senior or recent graduate from any STEM discipline
- Car ownership is a plus
- Starting approximately June 1
- If interested, email resume to Murray Harreschou (President) at [murray.inspect@gmail.com](mailto:murray.inspect@gmail.com)
