

## **Fender Musical Instruments – Temp IT Position**

My name is Tom Poltash and I am Vice President of Information Technology at Fender Musical Instruments. We are currently in need of a temporary I.T. position at our Hollywood offices located on Sunset and Gower (I am located in Scottsdale, Az.).

We can work around school schedules, etc. Start date can be immediate. Hopefully 2-3 days a week. The candidate will be trained on and in charge of imaging our new MACS/PC's, and assisting other IT support needs. This is all done under the supervision of our Senior IT Support Tech.

The candidate does not need previous support experience. If they have a great work ethic, then they will have the opportunity to work at one of the coolest company's and learn from some of the best techs. Pay is \$15.00 hour.
