

Glumac (www.glumac.com) Mechanical or Electrical Engineers.

Glumac is a building engineering firm working on designing various projects throughout the world including the Wilshire Grand High Rise Tower in Downtown Los Angeles and the Nike Headquarters in Shanghai.

The goal of this internship program is to create a pipeline of highly qualified interns interested in full time employment at Glumac once they graduate in June. Applicants must be students expected to graduate with a mechanical or electrical engineering degree, have a minimum cumulative GPA of 3.2/4.0, and the ability to work up to 10-20 hours per week starting in March until graduation with a potential offer for full time employment.

Please submit resume to Jfong@glumac.com.
