

## HSSEAS Scholarships Fall 2016

### FULL SCHOLARSHIPS LISTING

#### » Muriel K. and Robert B. Allan Fund

2 awards, up to \$5,000 each  
Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared; Must be top 15% of class; US citizenship required; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

#### » UCLA APLUS Scholarship Endowment

1 award, up to \$3,500  
Freshman, Sophomore, Junior or Senior Standing; Computer Science/Computer Science & Engineering major; Minimum 3.5 GPA; Research and/or Educational Abroad Programs experience preferred; One award preference for student involved in Society of Women Engineering; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

#### » Arconic Scholarship in Engineering

1 award up to \$9,350  
Freshman, Sophomore, Junior or Senior standing; Mechanical or Aerospace Engineering major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

#### » AV Balakrishnan Scholarship

1 award, up to \$2,500  
Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

#### » Mr. & Mrs. Benton Bejach Undergraduate Scholarship

1 award, up to \$4,500  
Junior standing only; Electrical Engineering major; minimum 3.0 GPA.; CA resident; Extra-Curricular activities & Leadership considered; Financial Need Considered. Scholarship renewable for up to two years, if student continues to meet scholarship criteria, as determined by the HSSEAS Scholarship committee. Must submit application to renew.

---

#### » Berman Family Undergraduate Scholarship Endowment

1 award, up to \$3,000  
Junior standing only; Electrical Engineering major; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered

---

#### » The Erica Pascal Bescher Endowed Scholarship in Materials Science

1 award, up to \$2,000  
Freshman, Sophomore, Junior, or Senior Standing, Materials Engineering Major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

#### » James W. Binns Scholarship

1 award, up to \$2,300  
Freshman standing only; Any major in the School including Undeclared; Minimum 3.0 GPA; Extracurricular Activities and Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission); Scholarship renewable for up to four years, if student continues to meet scholarship criteria, as determined by the HSSEAS Scholarship committee. Must submit application to renew.

---

---

» **Eugene Birnbaum Scholarship Fund**

1 award, up to \$1,500      Sophomore or Junior standing only; Any major within School including Undeclared; U.S. Citizenship Required; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered

---

» **Boeing Scholarships**

1-5 awards up to \$7,500 each      Sophomore, junior, or senior standing only; Minimum GPA of 3.0; Mechanical Engineering, Aerospace Engineering, Electrical Engineering, Computer Science, Material Science, or Chemical and Biomolecular Engineering majors; Financial Need Considered.

---

» **L.M.K. Boelter Undergraduate Scholarship Fund**

1 award, up to \$2,000      Junior or Senior standing; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Michael Blaine Brooks Scholarship Fund**

1 award, up to \$150      Freshman, Sophomore, Junior or Senior standing, Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission)

---

» **Michael Blaine Brooks Endowed Scholarship Fund**

1 award, up to \$7,000      Freshman, Sophomore, Junior or Senior standing, Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission)

---

» **YoungSoo Cha Endowed Scholarship**

1 award, up to \$3,000      Freshman, Sophomore, Junior or Senior Standing; Any major within the School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Josephine Cheng Endowed Scholarship in Engineering**

1 award, up to \$4,000      Freshman, Sophomore, Junior or Senior Standing, Preference for members of the Society of Women Engineers student club, Minimum 3.5 GPA, Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Chevron Research Scholarship - Chemical Engineering**

2 awards, up to \$1,750 each      Freshman, Sophomore, Junior or Senior standing; Chemical Engineering Major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Nancy D. and Aaron S. Cohen Engineering Scholarship**

2 awards, up to \$5,000 each      Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered

---

» **John DeGross Haller Memorial Scholarship**

1-5 awards, up to \$5,000 each      Freshman, Sophomore, Junior or Senior Standing; Electrical Engineering student; Admitted after turning 25 of age or who took time off due to financial hardship, and then re-entered after turning 25 years of age, Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Dhir Family Scholarship**

1 award, up to \$2,000      Freshman, Sophomore, Junior or Senior Standing; Any major within the School including Undeclared, Minimum 3.5 GPA; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Doane Family Scholarship in Civil & Environmental Engineering**

1 award, up to \$2,500 Freshman, Sophomore, Junior or Senior Standing; Civil Engineering major; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **UCLA Doshi Family Scholarship**

1 award, up to \$2,500 Junior standing; Any major within School including Undeclared; Minimum 3.0 GPA required; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Charles M. Duke Jr. Scholarship**

1 award, up to \$3,000 each Freshman, Sophomore, Junior or Senior standing; Civil Engineering Major; Preference to students pursuing Structural Engineering track; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **UCLA Electrical Engineering Undergraduate Scholarship (UC Regents)**

2 awards, up to \$4,750 each Junior or senior standing; Electrical Engineering major; minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **The Gerald and Thelma Estrin Scholarship**

1 award, up to \$4,000 Freshmen, Sophomore, Junior, or Senior Standing; CS or CSE major; Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Faculty Fund for Undergraduate Scholarships**

1 award, up to \$500 Freshman, Sophomore, Junior, or Senior standing; Any major within School including Undeclared; Extra-Curricular activities & Leadership considered; Financial Need Considered

---

» **Frank Feiler Scholarship**

1 award, up to \$5,000 Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Kenneth I. Friedman Endowed Scholarship in Engineering**

1 award, up to \$7,000 Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared with a focus on Computer Software Development; Minimum 3.5 GPA; Extra-Curricular activities & Leadership strongly considered; Financial Need Considered.

---

» **Gaspar Family Scholarship**

1 award, up to \$2,805 Freshman, Sophomore, Junior or Senior Standing, Preference for members of the Pilipinos in Engineering (PIE) student club, Minimum 3.0 GPA, Financial Need Considered.

---

» **Richard L. Gay Trust Scholarship Fund**

1 award, up to \$4,000 Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **W. Brandt Goldsworthy Scholarship**

1 award, up to \$5,000 Freshman, Sophomore, Junior or Senior standing; Materials Engineering major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Bob and Judy Green Scholarship in Electrical Engineering**

2 awards, up to \$2,250 each Freshman, Sophomore, Junior, or Senior standing; Electrical Engineering major; Preference for students from Arcadia High School, CA; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Gritton-Mackey Endowed Scholarship in Engineering**

1 award, up to \$3,000 Freshman, Sophomore, Junior or Senior Standing; Any major within the School including Undeclared, Minimum 3.5 GPA; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Janet and Mark Handzel Scholarship in Engineering**

2 awards, up to \$1,000 Junior, or Senior standing; Any major within School including Undeclared; Must have entered HSSEAS as a transfer student from a 2-year California state community college; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **James N. Harger Scholarship in Engineering**

1 award, up to \$3,000 Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **Shun Hing Education and CharityFund (David Mong)**

1 award, up to \$12,500 Freshman; Any major in the School including Undeclared; Preference to students who have lived, worked, or studied in Hong Kong; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered. Renewable up to 4 years as long as student maintains minimum 3.0 GPA. Must submit an additional one page essay specific to this scholarship. See FAQ for details.

---

» **Jiunn Carl and Teh-Chao C. Hsu Scholarship in Computer Science**

Freshman, Sophomore, Junior or Senior standing; Computer Science or Computer Science and TBD Engineering majors with a focus on energy development, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Integrated Circuits and Systems Lab (ICSL) Alumni Scholarship**

1 award, up to \$2,000 Freshman, Sophomore, Junior, or Senior Standing, Electrical Engineering Major with a preference to a student with a focus in integrated circuits, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Alfred C. Ingersoll Scholarship**

1 award, up to \$3,200 Sophomore, Junior, or Senior standing; Any major within School including Undeclared; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **Eric and Peggy Johnson Scholarship in Engineering**

1 award, up to \$4,200 Freshman, Sophomore, Junior or Senior Standing; Computer Science, Computer Science & Engineering or Electrical Engineering major; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **Jon C. Jones Memorial Scholarship**

1 award, up to \$5,000 Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Minimum 3.5 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **Kalosworks.org Scholarship**

2 awards, up to \$1,000 each Junior or senior standing; Minimum 3.0 GPA; Electrical Engineering major; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Katehi-Tseregounis Endowed Scholarship in Chemical Engineering**

1 award, up to \$2,000 Junior or Senior standing; Chemical Engineering major; Minimum 3.5 major field GPA; Must be enrolled in a minimum of 12 units for F16, W17 and Sp17; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Katehi-Tseregounis Endowed Scholarship in Electrical Engineering**

1 award, up to \$2,500 Junior or Senior standing; Electrical Engineering major; Minimum 3.5 major field GPA; Must be enrolled in a minimum of 12 units for F16, W17 and Sp17; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Kinecta Scholarship for Jr. College Transfer Students**

1 award, up to \$10,000 Junior or Senior Standing; Any major within the School; Must have been a transfer admit, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **W.J. Knapp Scholarship**

1 award, up to \$4,500 Senior standing; Materials Engineering major studying in the field of ceramics, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Les Knesel Scholarship**

1 award, up to \$9,500 Freshman, Sophomore, Junior or Senior standing; Materials Engineering major studying in the field of ceramics, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Levi James Knight Scholarship**

2 awards, up to \$5,000 each Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Preference to members of the Triangle Fraternity; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Linda and LaRoc Kovar Scholarship**

1 award, up to \$1,000 Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Kwon Family Undergraduate Scholarship Endowment**

1 award, up to \$4,500 Junior standing only; Any major; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **Paul H. Lane Perpetual Engineering Scholarship Fund**

1 award, up to \$5,000 Junior or Senior standing only; Civil and Environmental Engineering, Electrical Engineering, or Mechanical Engineering major; Minimum 3.0 major field GPA; US citizenship or permanent legal right to work in the U.S.; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Lee Family Scholarship in Materials Science**

1 award, up to \$2,500 Freshman, sophomore, junior, or senior standing; Materials Engineering major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **John Richard Leffler Scholarship**

1 award, up to \$3,000 Freshman, Sophomore, Junior or Senior Standing; Electrical Engineering major; Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

---

» **Cornelius Leondes Scholarship**

1 award, up to Freshman, Sophomore, Junior or Senior Standing; Any major within School including \$5,000 Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Brian J. Lewis Endowment**

1 award, up to \$750 Freshman, Sophomore, Junior or Senior Standing; Best essay on an aspect of professionalism in engineering; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Considered. Must submit an additional one page essay specific to this scholarship. See FAQ for details.

---

» **Terence Lim Engineering Undergraduate Endowed Scholarship**

1 award, up to \$2,000 Freshman, Sophomore, Junior or Senior Standing; Any major within the School including Undeclared; Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Professor John D. MacKenzie Scholarship in Materials Science**

1 award, up to \$4,200 Freshman, sophomore, junior, or senior standing; Materials Engineering major working on applications of cementitious materials, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Asad and Gowhartaj Madni Scholarship in Engineering**

1 award, up to \$2,300 Freshman, Sophomore, Junior or Senior Standing; Electrical Engineering major; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2015-2016 FAFSA submission).

---

» **William L. Martin Engineering Undergraduate Scholarship**

1 award, up to \$1,900 Junior or Senior standing; any major; minimum 3.0 GPA; Preference to Leadership Activities involvement; Must be CA resident; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Carey Nachenberg Scholarship in Engineering**

1 award, up to \$4,207 Freshman, Sophomore, Junior or Senior Standing; Computer Science/Computer Science & Engineering major; Minimum 3.5 GPA; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Richard B. Nelson Memorial Scholarship Fund**

1 award, up to \$2,300 Freshman, Sophomore, Junior or Senior standing. Civil Engineering Major; Preference to students pursuing Structural Engineering track; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **Won and Anna Ng Scholarship**

1 award up to \$2,805 Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission); Preference for students who are first in their family to attend college.

---

» **Northrop Grumman Endowed Scholarship**

5 awards, up to \$1,000 each Junior or Senior standing; Mechanical, Aerospace or Electrical Engineering major; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **Smita Patel Scholarship in Engineering**

2 awards, up to \$2,750 each Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

---

» **Phillips 66 Scholarship in Chemical Engineering**

1 award, up to Freshman, Sophomore, Junior or Senior standing; Chemical Engineering Major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered  
\$2,805

---

» **Phillips 66 Scholarship in Mechanical Engineering**

1 award, up to Freshman, Sophomore, Junior or Senior standing; Mechanical Engineering Major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered  
\$2,805

---

» **Gerald J. Popek Scholarship in Computer Science**

1 award, up to Freshman, Sophomore, Junior or Senior Standing; Computer Science/Computer Science & Engineering major; Must plan to pursue graduate education in Computer Science; Extra-Curricular activities and Leadership considered; Financial Need Considered.  
\$3,500

---

» **Simon Ramo Endowed Scholarship in Engineering**

1 award, up to Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Considered.  
\$5,500

---

» **Norton Rodman Endowed Engineering Scholarship**

1 award, up to Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Scholarship is renewable for up to 4 consecutive years, as long as student continues to meet scholarship criteria, as determined by HSSEAS Scholarship Committee; Minimum 3.0 GPA, Extra-Curricular activities and Leadership considered; Financial Need Considered. Must submit application to renew.  
\$4,000

---

» **Martin Rubin Scholarship Fund in Civil Engineering**

1 award, up to Freshman, Sophomore, Junior or Senior standing; Civil Engineering Major; Preference to students pursuing Transportation Engineering field; Extra-Curricular activities & Leadership considered; Financial Need Considered.  
\$1,000

---

» **The Irwin and Joanne Schwartz Endowed Scholarship for Mechanical and Aerospace Engineering**

1 award, up to Freshman, Sophomore, Junior or Senior standing; Mechanical or Aerospace Engineering; Minimum 3.0 GPA; US citizenship; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).  
\$4,500

---

» **Charles and Janet Seim Scholarship in Civil Engineering**

1 award, up to Freshman, Sophomore, Junior or Senior Standing; Civil Engineering major; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).  
\$4,500

---

» **Shivakumar Endowed Scholarship in Computer Science**

1 award, up to Freshman, Sophomore, Junior or Senior Standing; Computer Science/Computer Science & Engineering major; Must have conducted faculty supervised research at HSSEAS. Must submit letter(s) of recommendation from research advisor(s). Letters of recommendation should be submitted to: "Attn: Alina Haas, 6426 Boelter Hall" or emailed directly to ahaas@seas.ucla.edu by the application deadline.  
\$1,000

---

» **Bernard Shyffer Endowed Scholarship**

1 award, up to Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).  
\$2,000

---

» **Lear Siegler Scholarship**

2 awards, up to \$3,500 each  
Sophomore, Junior or Senior Standing; Electrical Engineering, Mechanical and Aerospace Engineering, or Computer Science; Minimum 3.0 GPA; US citizenship required; Preference to students who are a member of one of the following HSSEAS student groups: AISES (American Indian Science & Engineering Society), NSBE (National Society of Black Engineers), PIE (Pilipinos in Engineering), SOLES (Society of Latino Engineers & Scientists), SWE (Society of Women Engineers); Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Stanton & Stockwell Architects Scholarship**

1 award, up to \$400  
Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Herbert and Joan Stark Scholarship Support Fund**

1 award up to \$1870.00  
Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared; US citizenship required; Extra-Curricular activities and Leadership considered; Financial Need Preferred.

---

» **Eugene and Marilyn Stein Scholarships in Engineering**

4 awards, up to \$2,375 each  
Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Minimum 3.2 GPA; US citizenship required; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Steinbach Endowed Scholarship Fund**

1 award up to \$2,800  
Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Tom T. Tang Endowed Scholarship Fund**

1 award, up to \$4,500  
Junior or Senior standing; Electrical Engineering Major; Minimum 3.500 major field GPA; Must be enrolled in a minimum of 12 units each quarter for F15, W16 & Sp16; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Dr. Carol H. Tate Civil Engineering Undergraduate Scholarships**

2 awards, up to \$5,000 each  
Freshman, Sophomore, Junior, or Senior standing; Civil Engineering major; Extra-Curricular activities & Leadership considered; Financial Need Considered

---

» **Monte and Ruthellen Toole Scholarship in Engineering**

1 award, up to \$2,400  
Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Required((i.e. 2016-2017 FAFSA submission).

---

» **Ching Chiao and King Ning Tu Scholarship in Materials Science**

1 award, up to \$3,500  
Freshman, sophomore, junior, or senior standing; Materials Engineering major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Vicki Van Vorst Memorial Scholarship in Engineering**

1 award, up to \$2,000  
Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **Kalpesh Vardhan Engineering Scholarship**

1 award, up to \$4,500 Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Minimum 3.0 GPA NOT required; Strength of essay strongly considered; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Jack Waldron Scholarship**

1 award, up to \$4,675 Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Dorothy and Bob Webb Engineering Scholarship Fund**

1 award up to \$1,100 Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Harley L. Wood Family Scholarship**

2 awards, up to \$2,000 each Junior or Senior standing only; Materials Science and Engineering, Chemical and Biomolecular Engineering, Civil and Environmental Engineering, Mechanical and Aerospace Engineering, and Electrical Engineering majors; Preference to students pursuing a career in applied research and development for the public good; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Norman Yeung Scholarship**

1 award, up to \$2,500 Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Virginia Yong Scholarship**

1 award, up to \$9,000 Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered; Preference for a student passionate about nanotech, solar power, or material science.

---

» **Kimberley E. & Allen M. Yourman, Jr. Endowed Scholarship in Engineering**

1 award, up to \$4,000 Freshman, Sophomore, Junior or Senior Standing; Civil Engineering major with geotechnical group focus (must have declared option in this area); Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2016-2017 FAFSA submission).

---

» **George A. Zizicas Memorial Scholarship**

1 award, up to \$7,000 Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Considered; Preference to previous award recipients if they continue to meet scholarship criteria, as determined by the HSSEAS Scholarship Committee. Must submit application to renew.
