

### HSSEAS Scholarships 2017

#### » Air Products and Chemicals Scholarship

1 award up to \$5,500 Freshman, Sophomore, Junior or Senior standing; Chemical Engineering Major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

#### » Muriel K. and Robert B. Allan Fund

1-10 awards, up to \$10,000 each Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared; Must be top 15% of class; US citizenship required; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

#### » UCLA APLUS Scholarship Endowment

1-2 award, up to \$1,500 Freshman, Sophomore, Junior or Senior Standing; Computer Science/Computer Science & Engineering major; Minimum 3.5 GPA; Research and/or Educational Abroad Programs experience preferred; One award preference for student involved in Society of Women Engineering; Extra-Curricular activities and Leadership considered; Financial Need Considered.

#### » AV Balakrishnan Scholarship

1 award, up to \$5,000 Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

#### » Mr. & Mrs. Benton Bejach Undergraduate Scholarship

1 award, up to \$4,500 Junior standing only; Electrical Engineering major; minimum 3.0 GPA.; CA resident; Extra-Curricular activities & Leadership considered; Financial Need Considered. Scholarship renewable for up to two years, if student continues to meet scholarship criteria, as determined by the HSSEAS Scholarship committee. **Must submit application to renew.**

#### » Berman Family Undergraduate Scholarship Endowment

1 award, up to \$3,000 Junior standing only; Electrical Engineering major; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered

#### » The Erica Pascal Bescher Endowed Scholarship in Materials Science

1 award, up to \$4,000 Freshman, Sophomore, Junior, or Senior Standing, Materials Engineering Major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

#### » James W. Binns Scholarship

1 award, up to \$2,300 Freshman standing only; Any major in the School including Undeclared; Minimum 3.0 GPA; Extracurricular Activities and Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission); Scholarship renewable for up to four years, if student continues to meet scholarship criteria, as determined by the HSSEAS Scholarship committee. **Must have submitted new FAFSA and must submit application to renew.**

#### » Eugene Birnbaum Scholarship Fund

1 award, up to \$3,000 Sophomore or Junior standing only; Any major within School including Undeclared; U.S. Citizenship Required; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered

#### » Boeing Scholarships

1-3 awards up to \$7,500 each Sophomore, junior, or senior standing only; Minimum GPA of 3.0; Mechanical Engineering, Aerospace Engineering, Electrical Engineering, Computer Science, Material Science, or Chemical and Biomolecular Engineering majors; Financial Need Considered.

---

» **L.M.K. Boelter Undergraduate Scholarship Fund**

1 award, up to \$2,000 Junior or Senior standing; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Michael Blaine Brooks Endowed Scholarship Fund**

1 award, up to \$3,500 Freshman, Sophomore, Junior or Senior standing, Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission)

---

» **YoungSoo Cha Endowed Scholarship**

1 award, up to \$3,500 Freshman, Sophomore, Junior or Senior Standing; Any major within the School including Undeclared, Minimum 3.5 GPA; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Josephine Cheng Endowed Scholarship in Engineering**

1 award, up to \$4,500 Freshman, Sophomore, Junior or Senior Standing, Preference for members of the Society of Women Engineers student club, Minimum 3.0 GPA, Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Chevron Research Scholarship - Chemical Engineering**

2 awards, up to \$1,750 each Freshman, Sophomore, Junior or Senior standing; Chemical Engineering Major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Nancy D. and Aaron S. Cohen Engineering Scholarship**

2 awards, up to \$7,500 each Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered

---

» **John DeGross Haller Memorial Scholarship**

1-5 awards, up to \$10,000 each Freshman, Sophomore, Junior or Senior Standing; Electrical Engineering student; Preference for students admitted after turning 25 of age or who took time off due to financial hardship, and then re-entered after turning 25 years of age, Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Dhir Family Scholarship**

1 award, up to \$2,000 Freshman, Sophomore, Junior or Senior Standing; Any major within the School including Undeclared, Minimum 3.5 GPA; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Doane Family Scholarship in Civil & Environmental Engineering**

1 award, up to \$2,500 Freshman, Sophomore, Junior or Senior Standing; Civil Engineering major; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **Charles M. Duke Jr. Scholarship**

1 award, up to \$6,000 each Freshman, Sophomore, Junior or Senior standing; Civil Engineering Major; Preference to students with a focus on Structural Engineering; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **The Gerald and Thelma Estrin Scholarship**

1 award, up to \$5,000 Freshmen, Sophomore, Junior, or Senior Standing; CS or CSE major; Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Faculty Fund for Undergraduate Scholarships**

1 award, up to \$500 Freshman, Sophomore, Junior, or Senior standing; Any major within School including Undeclared; Extra-Curricular activities & Leadership considered; Financial Need Considered

---

---

» **Kenneth I. Friedman Endowed Scholarship in Engineering**

1 award, up to \$5,000 Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared with a focus on Computer Software Development; Minimum 3.5 GPA; Extra-Curricular activities & Leadership strongly considered; Financial Need Considered.

---

» **Gaspar Family Scholarship**

1 award, up to \$3085.50 Freshman, Sophomore, Junior or Senior Standing, Preference for members of the Pilipinos in Engineering (PIE) student club, Minimum 3.0 GPA, Financial Need Considered.

---

» **Richard L. Gay Trust Scholarship Fund**

1 award, up to \$4,000 Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **W. Brandt Goldsworthy Scholarship**

1 award, up to \$1,500 Freshman, Sophomore, Junior or Senior standing; Materials Engineering major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Bob and Judy Green Scholarship in Electrical Engineering**

2 awards, up to \$2,250 each Freshman, Sophomore, Junior, or Senior standing; Electrical Engineering major; Preference for students from Arcadia High School, CA; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Gritton-Mackey Endowed Scholarship in Engineering**

1 award, up to \$5,000 Freshman, Sophomore, Junior or Senior Standing; Any major within the School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Janet and Mark Handzel Scholarship in Engineering**

2 awards, up to \$1,000 Junior, or Senior standing; Any major within School including Undeclared; Must have entered HSSEAS as a transfer student from a 2-year California state community college; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **James N. Harger Scholarship in Engineering**

1 award, up to \$4,500 Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **Jiunn Carl and Teh-Chao C. Hsu Scholarship in Computer Science**

1 award, up to \$700 Freshman, Sophomore, Junior or Senior standing; Computer Science or Computer Science and Engineering majors with a focus on energy development, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Integrated Circuits and Systems Lab (ICSL) Alumni Scholarship**

1 award, up to \$3,500 Freshman, Sophomore, Junior, or Senior Standing, Electrical Engineering Major with a preference to a student with a focus in integrated circuits, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Alfred C. Ingersoll Scholarship**

1 award, up to \$3,200 Sophomore, Junior, or Senior standing; Any major within School including Undeclared; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **Eric and Peggy Johnson Scholarship in Engineering**

1 award, up to \$4,500 Freshman, Sophomore, Junior or Senior Standing; Computer Science, Computer Science & Engineering or Electrical Engineering major; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

---

» **Jon C. Jones Memorial Scholarship**

1 award, up to \$5,000 Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Minimum 3.5 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **Kalosworks.org Scholarship**

2 awards, up to \$1,000 each Junior or senior standing; Minimum 3.0 GPA; Electrical Engineering major; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Kalosworks.org Undergraduate Scholarship**

1 awards, up to \$9,000 Junior or senior standing; Electrical Engineering major; minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Katehi-Tseregounis Endowed Scholarship in Chemical Engineering**

1 award, up to \$2,200 Junior or Senior standing; Chemical Engineering major; Minimum 3.0 major field GPA; Must be enrolled in a minimum of 12 units for F17, W18, and Sp18; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Katehi-Tseregounis Endowed Scholarship in Electrical Engineering**

1 award, up to \$2,700 Junior or Senior standing; Electrical Engineering major; Minimum 3.5 major field GPA; Must be enrolled in a minimum of 12 units for F17, W18 and Sp18; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Kinecta Scholarship for Jr. College Transfer Students**

1 award, up to \$10,000 Junior or Senior Standing; Any major within the School; Must have been a transfer admit, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **W.J. Knapp Scholarship**

1 award, up to \$4,500 Senior standing; Materials Engineering major studying in the field of ceramics, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Les Knesel Scholarship**

1 award, up to \$9,500 Freshman, Sophomore, Junior or Senior standing; Materials Engineering major studying in the field of ceramics, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Levi James Knight Scholarship**

2 awards, up to \$5,000 each Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Preference to members of the Triangle Fraternity; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Linda and LaRoc Kovar Scholarship**

1 award, up to \$4,000 Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Kwon Family Undergraduate Scholarship Endowment**

1 award, up to \$5,000 Junior standing only; Any major; Minimum 3.0 GPA; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **Paul H. Lane Perpetual Engineering Scholarship Fund**

1 award, up to \$5,000 Junior or Senior standing only; Civil and Environmental Engineering, Electrical Engineering, or Mechanical Engineering major; Minimum 3.0 major field GPA; US citizenship or permanent legal right to work in the U.S.; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Lee Family Scholarship in Materials Science**

1 award, up to \$2,500 Freshman, sophomore, junior, or senior standing; Materials Engineering major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **John Richard Leffler Scholarship**

1 award, up to \$3,000 Freshman, Sophomore, Junior or Senior Standing; Electrical Engineering major; Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Cornelius Leondes Scholarship**

1 award, up to \$5,000 Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Brian J. Lewis Endowment**

1 award, up to \$750 Freshman, Sophomore, Junior or Senior Standing; Best essay on an aspect of professionalism in engineering; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Considered. **Must submit an additional one page essay specific to this scholarship. See FAQ for details.**

---

» **Terence Lim Engineering Undergraduate Endowed Scholarship**

1 award, up to \$1,500 Freshman, Sophomore, Junior or Senior Standing; Any major within the School including Undeclared; Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Professor John D. MacKenzie Scholarship in Materials Science**

1 award, up to \$4,500 Freshman, sophomore, junior, or senior standing; Materials Engineering major working on applications of cementitious materials, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Asad and Gowhartaj Madni Scholarship in Engineering**

1 award, up to \$2,500 Freshman, Sophomore, Junior or Senior Standing; Electrical Engineering major; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Joanne Maguire Endowed Scholarship in Engineering**

1 award, up to \$1,000 Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered; preference for members of the Society of Women Engineers (SWE), Women Advancing Technology through Teamwork WATT, Association of Computing Machinery - W (ACM-W), or Phi Sigma Rho.

---

» **William L. Martin Engineering Undergraduate Scholarship**

1 award, up to \$2,000 Junior or Senior standing; any major; minimum 3.0 GPA; Preference to Leadership Activities involvement; Must be CA resident; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Mohammady Family Scholarship**

1 award, up to \$1,000 Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered; Preference for students who self-identify as part of and/or contribute to the Muslim community and/or are interested in Muslim culture and/or studies (Please elaborate in Autobiographical Statement)

---

» **Carey Nachenberg Scholarship in Engineering**

1 award, up to \$3,272 Freshman, Sophomore, Junior or Senior Standing; Computer Science/Computer Science & Engineering major; Minimum 3.5 GPA; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Richard B. Nelson Memorial Scholarship Fund**

1 award, up to \$2,300 Freshman, Sophomore, Junior or Senior standing. Civil Engineering Major; Preference to students with a focus in Structural Engineering; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

---

» **Northrop Grumman Endowed Scholarship**

5 awards, up to \$1,000 each  
Junior or Senior standing; Mechanical, Aerospace, Computer Science, or Electrical Engineering major; Minimum 3.25 GPA; U.S. Citizenship preferred; Strength of essay strongly considered; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **Smita Patel Scholarship in Engineering**

1 awards, up to \$7,000 each  
Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Gerald J. Popek Scholarship in Computer Science**

1 award, up to \$4,000  
Freshman, Sophomore, Junior or Senior Standing; Computer Science/Computer Science & Engineering major; Must plan to pursue graduate education in Computer Science; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Simon Ramo Endowed Scholarship in Engineering**

1 award, up to \$5,500  
Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Rhone-Poulence Contribution to Excellence Scholarship**

1-6 awards, up to \$5,000 each  
Junior or Senior standing; Chemical Engineering major; Minimum 3.500 GPA; Must be enrolled in a minimum of 12 units each quarter for F17, W18 and Sp18; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Norton Rodman Endowed Engineering Scholarship**

1 award, up to \$4,500  
Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Scholarship is renewable for up to 4 consecutive years, as long as student continues to meet scholarship criteria, as determined by HSSEAS Scholarship Committee; Minimum 3.0 GPA, Extra-Curricular activities and Leadership considered; Financial Need Considered. **Must submit application to renew.**

---

» **Martin Rubin Scholarship Fund in Civil Engineering**

1 award, up to \$1,000  
Freshman, Sophomore, Junior or Senior standing; Civil Engineering Major; Preference to students pursuing Transportation Engineering field; Extra-Curricular activities & Leadership considered; Financial Need Considered.

---

» **The Irwin and Joanne Schwartz Endowed Scholarship for Mechanical and Aerospace Engineering**

1 award, up to \$4,500  
Freshman, Sophomore, Junior or Senior standing; Mechanical or Aerospace Engineering; Minimum 3.0 GPA; US citizenship; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Charles and Janet Seim Scholarship in Civil Engineering**

1 award, up to \$5,000  
Freshman, Sophomore, Junior or Senior Standing; Civil Engineering major; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Shivakumar Endowed Scholarship in Computer Science**

1 award, up to \$7,500, Might be less!  
Freshman, Sophomore, Junior or Senior Standing; Computer Science/Computer Science & Engineering major; Must have conducted faculty supervised research at HSSEAS. Must submit letter(s) of recommendation from research advisor(s). **Letters of recommendation should be submitted to: "Attn: Alina Haas, 6426 Boelter Hall" or emailed directly to ahaas@seas.ucla.edu by the application deadline.**

---

» **Bernard Shyffer Endowed Scholarship**

1 award, up to \$2,500  
Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Lear Siegler Scholarship**

2 awards, up to \$3,500 each  
Sophomore, Junior or Senior Standing; Electrical Engineering, Mechanical and Aerospace Engineering, or Computer Science; Minimum 3.0 GPA; US citizenship required; Preference to students who are a member of one of the following HSSEAS student groups: AISES (American Indian Science & Engineering Society), NSBE (National Society of Black Engineers), PIE (Pilipinos in Engineering), SOLES (Society of Latino Engineers & Scientists), SWE (Society of Women Engineers); Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Monique and Richard Spataru Endowed Scholarship**

1 award, up to \$200  
Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered; Preference for students of French or German citizenship.

---

» **Stanton & Stockwell Architects Scholarship**

1 award, up to \$400  
Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Herbert and Joan Stark Scholarship Support Fund**

1 award up to \$3,500, double check amount  
Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared; US citizenship required; Extra-Curricular activities and Leadership considered; Financial Need Preferred.

---

» **Eugene and Marilyn Stein Scholarships in Engineering**

4 awards, up to \$2,375 each  
Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Minimum 3.2 GPA; US citizenship required; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Steinbach Endowed Scholarship Fund**

1 award up to \$3,000  
Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Jeffrey Su Scholarship**

1 award, up to \$100  
Freshman, Sophomore, Junior or Senior standing; Computer Science or Computer Science and Engineering major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Tom T. Tang Endowed Scholarship Fund**

1 award, up to \$4,500  
Junior or Senior standing; Electrical Engineering Major; Minimum 3.500 major field GPA; Must be enrolled in a minimum of 12 units each quarter for F17, W18 & Sp18; Extra-Curricular activities & Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **Dr. Carol H. Tate Civil Engineering Undergraduate Scholarships**

2 awards, up to \$1,000 each  
Freshman, Sophomore, Junior, or Senior standing; Civil Engineering major; Extra-Curricular activities & Leadership considered; Financial Need Considered

---

» **Monte and Ruthellen Toole Scholarship in Engineering**

1 award, up to \$2,400  
Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Required((i.e. 2017-2018 FAFSA submission).

---

» **Ching Chiao and King Ning Tu Scholarship in Materials Science**

1 award, up to \$4,000  
Freshman, sophomore, junior, or senior standing; Materials Engineering major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Vicki Van Vorst Memorial Scholarship in Engineering**

1 award, up to \$2,500  
Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

---

» **Kalpesh Vardhan Engineering Scholarship**

1 award, up to \$4,000      Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Minimum 3.0 GPA NOT required; Strength of essay strongly considered; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Jack Waldron Scholarship**

1 award, up to \$4,675      Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Dorothy and Bob Webb Engineering Scholarship Fund**

1 award up to \$3,000      Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.5 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Women in Computer Science Scholarship**

1 award, up to \$2337.50      Freshman, Sophomore, Junior or Senior standing; Computer Science major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered. Preference for members of the Society of Women Engineers (SWE), Association of Computing Machinery-W (ACM-W), or Phi Sigma Rho.

---

» **Women in Electrical Engineering Scholarship**

1-10 awards, up to \$1,700 each      Freshman, Sophomore, Junior or Senior standing; Electrical Engineering major, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered. Preference for members of the Society of Women Engineers (SWE), Women Advancing Technology through Teamwork WATT, Phi Sigma Rho, Eta Kappa Nu (HKN), or Institute of Electrical and Electronics Engineers (IEEE).

---

» **WNA Family Scholarship**

1 award up to \$2,805      Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission); Preference for students who are first in their family to attend college.

---

» **Harley L. Wood Family Scholarship**

2 awards, up to \$2,000 each      Junior or Senior standing only; Materials Science and Engineering, Chemical and Biomolecular Engineering, Civil and Environmental Engineering, Mechanical and Aerospace Engineering, and Electrical Engineering majors; Preference to students pursuing a career in applied research and development for the public good; Extra-Curricular activities and Leadership considered; Financial Need Considered.

---

» **Jane and Tien-Tsai Yang Centennial Scholars Endowment in Engineering**

1 award, up to \$200      Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Norman Yeung Scholarship**

1 award, up to \$2,500      Freshman, Sophomore, Junior or Senior standing; Any major within School including Undeclared, Minimum 3.0 GPA; Extra-Curricular activities and Leadership considered; Financial Need Considered

---

» **Kimberley E. & Allen M. Yourman, Jr. Endowed Scholarship in Engineering**

1 award, up to \$5,000      Freshman, Sophomore, Junior or Senior Standing; Civil Engineering major with geotechnical group focus (must have declared option in this area); Extra-Curricular activities and Leadership considered; Financial Need Required (i.e. 2017-2018 FAFSA submission).

---

» **George A. Zizicas Memorial Scholarship**

1 award, up to \$7,000      Freshman, Sophomore, Junior or Senior Standing; Any major within School including Undeclared; Extra-Curricular activities and Leadership considered; Financial Need Considered; Preference to previous award recipients if they continue to meet scholarship criteria, as determined by the HSSEAS Scholarship Committee. **Must submit application to renew.**

---
