Greetings!

- *This time, the recruiting event will be held in the Ohio office of Honda North America. Together with recruiting activities, *
- *"a special facility tour will also be arranged to deepen the participants' understanding of Honda's working atomosphere.*
- *A pre-screening will be held and for the participants seleted, transportation/Accommodation/Meals are FREE."*
 (Further details will be informed in the Webinar, on October 18th)
- *Here is a message from Honda, to all the potential applicants.*
- *[Honda's message]*

http://lighthouse-gl.com/pdf/Honda2015message

*Again this going to be a Honda's recruiting for its Japan head office, the flier appeared in the URL above is only in Japanese.

- *The recruiting event in Ohio is currently scheduled on November 13th-14th, before which a live Webinar will be held on October 18th.*
 Engineers who are leading the Honda researches and developments will join you for the Webinar, discussing with you on the following topics,
- * Current Honda and its vision for the future.*
- * —The challenge of R&D at the front*
- * Details of Honda US Recruiting/Screening Sessions (in Ohio)* You can participate in the Webinar through your PC at home, and ask questions online since it is live streaming.

If you are interested, please* REGISTER NOW* through the URL below. And more details will be sent after the registration.

(If you are unable to join the Webinar on the day, you can inform us at the registration page.)

- *[Qualifications]*
- * —Students of engineering majors, and enrolled in overseas universities or graduate schools*
- **Mechanical engineering/Electrical engineering/Electronics/Information engineering majors are all welcomed*
- * 'Students who are able to join the company between April 1st and October 1st, 2016.*
- **Sophomore and Junior, who are unable to join the company during the period above, are still eligible to join the Webinar.*
- * 'Students whose Japanese proficiency level is at least business level or better than it.*
- **The Webinar and Recruiting Event will be conducted in Japanese only.*
