

Honeybee Robotics

Honeybee Robotics is a world leader in developing robotic systems for extreme environments. Our Pasadena, CA office has several full-time positions that need to be filled immediately. The candidate should have the following credentials:

1. BS or MSc in Mechanical or Electrical Engineering
2. GPA >3.2
3. Passion for space exploration and challenging tasks
4. Should consider robotics fun!
5. US Citizens or Permanent Residents, only.

Please let me know if you have any questions.
