Make sure to drop your resume for one or more of the following internship roles with ITG on BruinView:

- Software Engineering Summer Analyst
- Quality Assurance Summer Analyst

ITG Summer 2016 Internships

ITG offers 9-week paid summer internships to talented individuals in various parts of our global organization in New York, Boston, and LA. As an intern, you will have the chance to network with individuals at all levels of the organization, as well as work on challenging **real-world** projects that make an immediate business impact. Through our comprehensive training programs, senior speaker series, mentoring opportunities and social events, our interns acquire the tools and experience to contribute to the firm and develop professionally.
