

Insight Data Fellows Programs

Insight is now accepting applications for the January 2018 fellowships in Data Science, Health Data Science, Data Engineering, and Artificial Intelligence.

900+ Insight alumni are now data scientists and data engineers at Facebook, LinkedIn, The New York Times, Apple, Airbnb, Netflix, Memorial Sloan Kettering Cancer Center, Github, Slack, Seven Bridges Genomics, Twitter, Bloomberg, NBC, Pinterest, Microsoft, and 250+ other top companies.

Insight Fellows Programs:

- 7 week, full-time training fellowship
- Mentorship from leading industry data scientists, data engineers & AI specialists
- Join an active community of Insight alumni
- Self-directed, project-based learning followed by interviews at top companies
- Tuition-free with need-based scholarships available to help cover living costs

Application Deadline: October 23rd
