

Insight Fellows Programs

Now accepting applications for January 2017 Insight Fellowships

600+ Insight alumni are now data scientists and data engineers at Facebook, LinkedIn, The New York Times, Apple, Airbnb, Netflix, Memorial Sloan Kettering Cancer Center, Uber, Seven Bridges Genomics, Twitter, Bloomberg, NBC, Microsoft, and 200+ other top companies.

Insight Fellowship:

- * 7 week, full-time, post-graduate training Fellowship
- * Mentorship from leading industry data scientists and data engineers
- * Join an active community of Insight alumni
- * Self-directed, project-based learning with support from Insight throughout the whole process
- * Tuition-free with need-based scholarships available to help cover living costs

Insight awards three distinct Fellowships:

Data Science (New York City, Silicon Valley & remote)

Deadline: October 24th

For post-docs or PhD students who will graduate by May 2017

Apply at <http://insightdatascience.com>

Health Data Science (Boston & Silicon Valley)
