

COUNTY OF SAN DIEGO
invites applications for the position of:

Land Use/Environmental Planner I-Noise Option-16350701N

SALARY: \$55,182.40 - \$67,766.40 Annually
OPENING DATE: 02/19/16
CLOSING DATE: Continuous
JOB SUMMARY:

The County of San Diego's Planning & Development Services is seeking qualified applicants for the position of

LAND USE/ENVIRONMENTAL PLANNER I - Noise Option

PER COUNTY RULES, THIS POSITION IS ELIGIBLE FOR APPOINTMENT AT STEP 1, \$55,182.40 ANNUALLY. COUNTY EMPLOYEES ARE SUBJECT TO THE COUNTY PROMOTION RULE FOR STEP PLACEMENT IN ACCORDANCE WITH COMP ORD 1.3.5.

Land Use/Environmental Planner I is the first working level class in the series and perform professional environmental and planning studies, research, and data analysis to develop goals and policy or project recommendations for adoption by decision-making bodies. Incumbents independently process projects/tasks characterized by having moderate public controversy, and of low complexity such as minor use permits, variances, administrative permits, boundary adjustments, tentative parcel maps, or policy and ordinance changes. In addition, incumbents provide technical expertise in the field of acoustics, and recommend appropriate mitigation measures for the minimization of adverse noise impact, as well as review projects to identify potential noise related issues and technical reports

covering potential noise related issues completed by consultants (including the monitoring of noise levels and calculating anticipated noise levels).

The ideal candidate is a knowledge worker who is self-motivated, customer-focused, and demonstrates the following:

- Strong attention to detail
- Ability to manage conflict
- Critical thinking
- Effective communication both orally and in writing
- Leadership skills
- Ability to work in a team
- Focus on solutions and innovation
- Positive attitude

Minimum Qualifications

1. A bachelor's degree from an accredited U.S. college or university, or a certified foreign studies equivalency, in Engineering with an emphasis in acoustics, AND one (1) year of professional level experience in the field of acoustics as it relates to land use/environmental planning. Experience must be at the level equivalent to a Junior Land Use/Environmental Planner within the County of San Diego; OR,
2. A master's degree from an accredited U.S. college or university, or a certified foreign studies equivalency, in Engineering with and emphasis in acoustics. No experience required; OR,
3. One (1) year of experience as a Junior Land Use/Environmental Planner with the County of San Diego.

Notes:

Professional level land use/environmental planning experience in a public or private agency may substitute for education on a year for year basis, for up to two (2) years of the education requirement. Degree must be from a U.S. accredited college or university, or certified equivalency for foreign studies must be provided.

Click **here** to review the complete job description including minimum qualifications, examples of duties, essential functions, etc. Reasonable accommodation may be made to enable an individual with qualified disabilities to perform the essential functions of a job, on a case-by-case basis.

Evaluation Process

Qualified applicants will be placed on a **twelve (12) month** employment list based on scores received during the evaluation of information contained in their employment and supplemental applications. Please ensure all information is complete and accurate, as the responses you provide on the supplemental application questionnaire will be reviewed using an automated evaluation system. If you are successful in the initial screening process, your application will be reviewed individually to confirm that the information you provided is accurate and qualifying

The County of San Diego has discontinued letter notifications to candidates. All notifications to job applicants will be conducted via electronic mail. In order to receive timely notifications on the status of your application, please be sure that you have typed your e-mail address on the Master Profile Section in an accurate and complete manner. Also, be sure to check your spam or junk email in box to see if you received such notifications.

Reasonable accommodation may be made to enable an individual with qualified disabilities to perform the essential functions of a job, on a case-by-case basis.
