

Los Angeles family looking to hire private tutor for 9-year old daughter who is interested in learning to develop and code a mobile app. A fourth-grader at the Mirman School, the student is already experienced in basic HTML coding and has mapped out her ideas and design for an educational game application. Rate: \$50 - 75/hour. Location: Brentwood. Preferred Time: 2+ hours/weekend, plus weekday check-in, as needed. Must have genuine interest in mentoring young children and experience in app-development. References required. Contact email: Deborah@totefish.com
