

Machine Learning Engineer

<http://oben.me/careers/current-openings/machine-learning-engineer/>

About Oben:

Oben is a stealth-mode investor-backed fast-growing technology company based out of [IdeaLab](#) in Pasadena, CA. **Oben is in the process of building human interfaces for Artificial Intelligence and beyond.**

Know more about Oben incentives [here](#).

As a member of the machine language translation team, you utilize your superior technical aptitude and deep understanding of **Machine Learning and Natural Language Processing** to create the best Machine Translation solutions for our algorithms. You should be comfortable to also work with a wide array of teams in areas of wellness, healthcare, marketing, business development, psychology, design, user experience and product development.

Ability to work fast with teams in an open-table company culture is important.

Minimum Requirements:

- * PhD, M.Sc. in Computer Science, Electrical Engineering or Physics
- * High proficiency in C++.
- * Experience with data-driven statistical or machine learning methods.
- * Enjoys a highly collaborative environment with minimal supervision.

Nice to have:

- * Experience with automatic speech recognition and/or natural language processing systems.
- * Familiarity with linguistic phonetics.
- * Knowledge of basic digital signal processing techniques for audio.
- * Experience with software engineering best practices including unit testing, continuous integration, and source control.
- * Proficiency in Java/Android, Objective C/iOS, javascript, C#/Unity3D.

Application Requirements:

Please send the following to careers @ Oben dot me

- Detailed resume and/or LinkedIn profile
- Links to any research / papers you have been an instrumental part of and are proud of
- Name of instructor / adviser, if any along with link to their profile
- Cover Letter identifying your five favorite apps on your phone

Interview process:

- Phone interview
- In-person interviews at [IdeaLab](#) and [CalTech](#)
- Sample project submission
- Proposal/business plan submission: [What Is An Oben Candidate Proposal?](#)
- Spend a day at the offices and participate in all team activities
- Offer Letter
