

### **About Motor Oil**

MOTOR OIL is the largest private industrial complex in Greece and among the top refineries in Europe in terms of complexity (11.5 according to Nelson Complexity Index). It can process crude oil of various characteristics and produce a full range of petroleum products, serving major petroleum marketing companies in Greece and abroad. Additionally, the refinery of Motor Oil is the only one that produces base oils in Greece.

Since 2001, the company is listed in the Athens Stock Exchange, and is a constituent of the FTSE/ATHEX INTERNATIONAL INDEX, the FTSE/ATHEX 20 INDEX, the ATHEX COMPOSITE INDEX, and of other sectoral indices. Furthermore, since May 2006 the company is a constituent of the MSCI GREECE INDEX (Morgan Stanley Capital International).

With a consolidated turnover, in 2013, equivalent to approximately 5.1% of Greece's GDP, it constitutes one of the main pillars of the national economy. It implements a coherent growth strategy on responsible and sound business practices, leading to the continual improvement of its social impact, by showing due respect for the environment and for the interests of all its stakeholders.

On the retail sector MOTOR OIL has invested substantially and has a leading presence in the market through its companies Avin, Coral and Coral Gas.

Avin Oil is the first retail company of the Group with a network of 580 petrol stations throughout Greece and a market share of about 9% (fourth in the relevant ranking). On July 2010 MOTOR OIL completed the acquisition of Shell Hellas A.E. (renamed Coral A.E., Shell Licensee) with approximately 700 retail stations and Shell Gas A.E.B.E.Y (renamed Coral Gas A.E.B.E.Y.) therefore further strengthening its presence in the market.

Furthermore, the Group has laid the foundations for its presence in the electricity generation sector, through a 35% stake acquired by the parent company MOTOR OIL S.A. in KORINTHOS POWER S.A.. The main asset of KORINTHOS POWER SA is the combined- cycle, natural gas fuelled, power station, with a capacity of 436.6 MW, located next to the MOTOR OIL facilities at Ag. Theodoroi, Corinth, which came on line in 2012. In addition, MOTOR OIL has a stake of 16% in ATHENS AIRPORT FUEL PIPELINE COMPANY S.A.
