

Event: NUPOC

LT Shaun Penrod, a Naval Office recruiter in LA, will be sharing the Navy's nuclear propulsion officer (NUPOC) program. NUPOCs are paid about \$5000/month while they finish their degree and are provided with years of job stability post graduation. The info-session will take place on Thursday March 5th in Boelter5800 at 6pm. Pizza will be provided! The program is open to all engineering majors! Please check the Facebook event below for further information and updates!
