

Interested in a **local startup** doing website **a/b testing** and optimization?

We're [Plugin A/B](#) (<-click), auto-optimizing image & video thumbnails online.

We're currently available on Wordpress and are looking for team members to grow with us.

You can read more at <http://pluginab.com>

My name's [Zachary Swetz](#), I'm a passionate, young professional in advertising technology. I'm a product manager by trade in the local LA area. I have a few good connections and know there is potential in this product with the right team.

I'm hoping to connect with talented programmers looking to get their career started right and are interested in equity to help build a product that brings exceptional value to users.

If you'd like to learn more, contact me at Zachary.Swetz@gmail.com

Best,
Zach
