

Renewable Energy Internships

Think Energy is seeking applications for fall internship positions located in our Silver Spring, MD and Long Beach, CA offices. We encourage graduate students or college students who have completed two or more years to apply. Competitive compensation will be provided.

Please submit a resume with a cover letter describing your skills and experience. Internship dates are flexible.

Think Energy believes in a multidisciplinary approach, so we welcome interns with a variety of interests, including, but not limited to:

- Architecture
- Business/Economics
- Communications
- Engineering (Biological, Civil, Electrical, Environmental, Mechanical, or Systems)
- Environmental Science
- Marketing
- Writing

Please send application materials to Ms. Casey Grey Miller at cmiller@thinkenergy.net.

Note: Only candidates selected for an interview will be contacted. Please do not call to review the status of your application.
