

## Software Development Engineer

Position Type: Full Time

### JOB SUMMARY

Do you love to code? Work in a team of creative engineers to design, implement, test, and deliver state-of-the-art web applications for the financial services industry. Learn and deploy the latest technologies including cloud computing, mobile development, responsive design, ASP.NET, JavaScript, C#, VB.NET, and SQL Server.

### TECHNOLOGIES

(Not Required!) ASP.NET, JavaScript, C#, VB.NET, SQL Server, Microsoft operating systems. Experience is a plus but not required.

### QUALIFICATIONS

- Bachelor's or Master's degree from an accredited college/university in CS, ICS, CSE, Math or other technical degree
- Major GPA of 3.4 or higher.
- Good problem-solving and programming skills.
- Must be able to program in one of the following languages: C, C++, Java, C#, or Visual Basic.
- Experience is a plus but not required.

 enables entrepreneurs and consumers to achieve the American dream by creating technological solutions that fuel the engine for financial growth. Our top notch solutions create the premier customer experience every time. We believe in the principles of empowerment, collaboration, individual achievement, and innovation.

At MeridianLink, we work together to design, implement, test, and deliver state-of-the-art web applications for the financial services industry, using the latest technologies including cloud computing, mobile development, responsive design, ASP.NET, JavaScript, C#, VB.NET, and SQL Server.

### OUR CULTURE

Our very low turnover is a testament to our wonderful culture where people value the work they do and appreciate each other for their contributions. We develop our employees so they can grow professionally, and we promote from within. We have an open door policy with direct access to executives; we want to hear your ideas and what you think. We believe that to be productive in the long term, we must have a genuine work-life balance. We understand that employees have families and full lives outside of the office; and we honor their personal commitments.

### SALARY AND BENEFITS

In addition to a competitive salary, MeridianLink also offers:

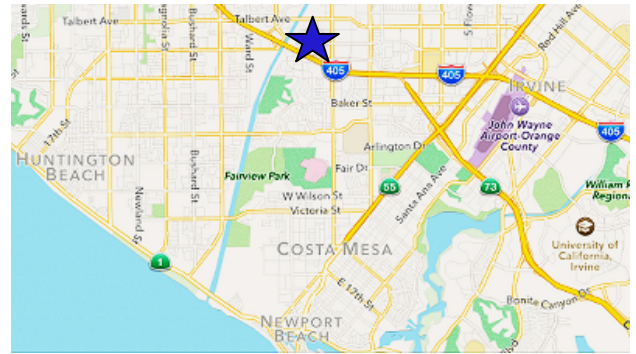

- A cool and exciting work environment that includes a casual dress code, company lunches, holiday parties, after-work sports activities, free office snacks, and video, arcade and table games.
- Opportunities to advance your career. You own your career, and we will help you through on-site development opportunities (e.g., on-site Toastmasters). Each employee receives assignments that are aligned with their experience, passions, and strengths with the intentions of enhancing their professional career.
- Additional perks at our headquarters include optional day care facility, fully-equipped gym, and healthy salad bar.
- Excellent benefits: 401(k) retirement plan with company match and sick leave for all employees. In addition, full time employees are eligible for medical, dental, vision and life insurance, and vacation time.

## LOCATION

Costa Mesa, Orange County, California

Located less than 15 minutes from the UC Irvine campus in the heart of Orange County, close to many well-known attractions, including: South Coast Plaza, John Wayne Airport, Newport & Laguna Beach, Fashion Island, Irvine Spectrum, and the Disneyland Resort
