

SCIENCE & ENGINEERING EXPO

An Invitation Only Hiring Event

Sandia National Laboratories

NOVEMBER 11th – 13th [2012]

[ALBUQUERQUE, NEW MEXICO]

Sandia National Laboratories is a premier national security laboratory involved in a variety of research, development and engineering programs to help the nation secure a peaceful and free world through technology. We develop technologies to create an effective and sustainable nuclear deterrent, prevent the spread of weapons of mass destruction, protect our national infrastructures, defend our nation against terrorism, provide new capabilities to our armed forces, and ensure the stability of our nation’s energy and water supplies. Come work at Sandia and help us change the world!

The *minimum* eligibility requirements to be considered for an invitation to SEE are:

- U.S. citizenship
- A Master’s or Ph.D. degree in Science, Technology, Engineering, Math or Business; or, be enrolled in a Master’s or Ph.D. program within two semesters of graduation
- A cumulative GPA of 3.50 or higher for BS, AND a cumulative GPA of 3.70 or higher for MS and Ph.D. degrees

During the on-site event, invited candidates will:

- Interview with key hiring managers for job opportunities at Sandia New Mexico & California
- Meet top research scientists and engineers
- Tour “state-of-the-art” facilities
- Explore exciting career opportunities in a national laboratory
- Visit Albuquerque, NM, the Land of Enchantment

Interested candidates should:

- 1 Visit www.sandia.gov/careers
- 2 Click on “View All Jobs”
- 3 Enter “SEE Sandia” into keywords field
- 4 Apply to all job postings to which you may qualify

* SEE postings close on October 14th

* Current or previous Sandia employees, interns, staff augmentation contractors, or independent consultants are not eligible for consideration

Application does not guarantee selection, participation or offer of employment
