

BIOENGINEERING TRANSFER PLAN (TENTATIVE)

Assumes student has completed all Math, Chemistry, Physics, English Composition, and GE requirements

Please Note: This is just one example of what your curriculum *might* look like based on requirements from the 2021-22 school year. Requirements can be subject to change for the 2022-23 school year. Once school has started, you can meet with a counselor from your major to come up with an individualized course plan based on your specific transfer credit. Students are not guaranteed to get any specific class during any specific quarter.
