

AEROSPACE TRANSFER SAMPLE PLAN #1 (TENTATIVE)

Assumes student has completed all Math, Chemistry, Physics, Programming (MAE M20 or CS 31), English Composition, GE requirements and that student plans to enroll in UCLA Summer Sessions prior to their first quarter at UCLA.

Please Note: This is just one example of what your schedule **might** look like based on the 2019-2020 requirements. Requirements can be subject to change. Once school has started and your transfer credit has been finalized students can create their own individualized course plan. Please bookmark:

FIRST YEAR			
SUMMER SESSIONS	FALL	WINTER	SPRING
MECH&AE 82	MECH&AE 101	MECH&AE 150A	MECH&AE 171A
MECH&AE 103	MECH&AE 105A	MECH&AE 102	MECH&AE 157
	EC ENGR 100	MECH&AE 107	Track Elective #1
		ENGR ETHICS*	Track Elective #2
SECOND YEAR			
SUMMER SESSIONS	FALL	WINTER	SPRING
	MECH&AE 166A	MECH&AE 154A	MECH&AE 157A
	Track Elective #3	Track Elective #4	MAT SCI 104
	MECH&AE 105D	AE Elective #1	AE Elective #2
	Tech Breadth #1	Tech Breadth #2	Tech Breadth #3

*Satisfied with either ENGR 183EW or ENGR 185EW

Students choose either the space or aeronautics track to complete track electives.

Students are not guaranteed to get any specific class during any specific quarter.

Taking or not taking Summer Sessions can affect your time to degree

AEROSPACE TRANSFER PLAN #2 (TENTATIVE)

Assumes student has completed all Physics, Math, English Composition, and 3 GE courses prior to first quarter at UCLA.

Please Note: This is just one example of what your schedule **might** look like based on the 2019-2020 requirements. Requirements can be subject to change. Once school has started and your transfer credit has been finalized students can create their own individualized course plan. Please bookmark:
