

How do I Satisfy Ethics and Writing-2 in Engineering?

A look at each major
(as of 11/26/2024)

Bioengineering

Completed Writing-2
through a UCLA College
GE or at a community
college?

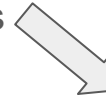

No

Bioengineering 1XXW (preferred)*
or
Engineering 182EW, 183EW, 186W

*Bioengineering specific course pending

Yes

Engineering 184 (preferred)
or
Engineering 186

Chemical Engineering

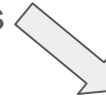

Completed Writing-2
through a UCLA College
GE or at a community
college?

No

Engineering 183EW (preferred)
or
Engineering 182EW or 186W

Yes

Engineering 184 (preferred)
or
Engineering 186

Civil Engineering

Completed Writing-2
through a UCLA College
GE or at a community
college?

No

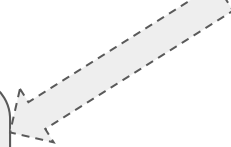

Civil & Environmental Engineering 109W
(preferred)
or
Engineering 182EW, 183EW, 186W

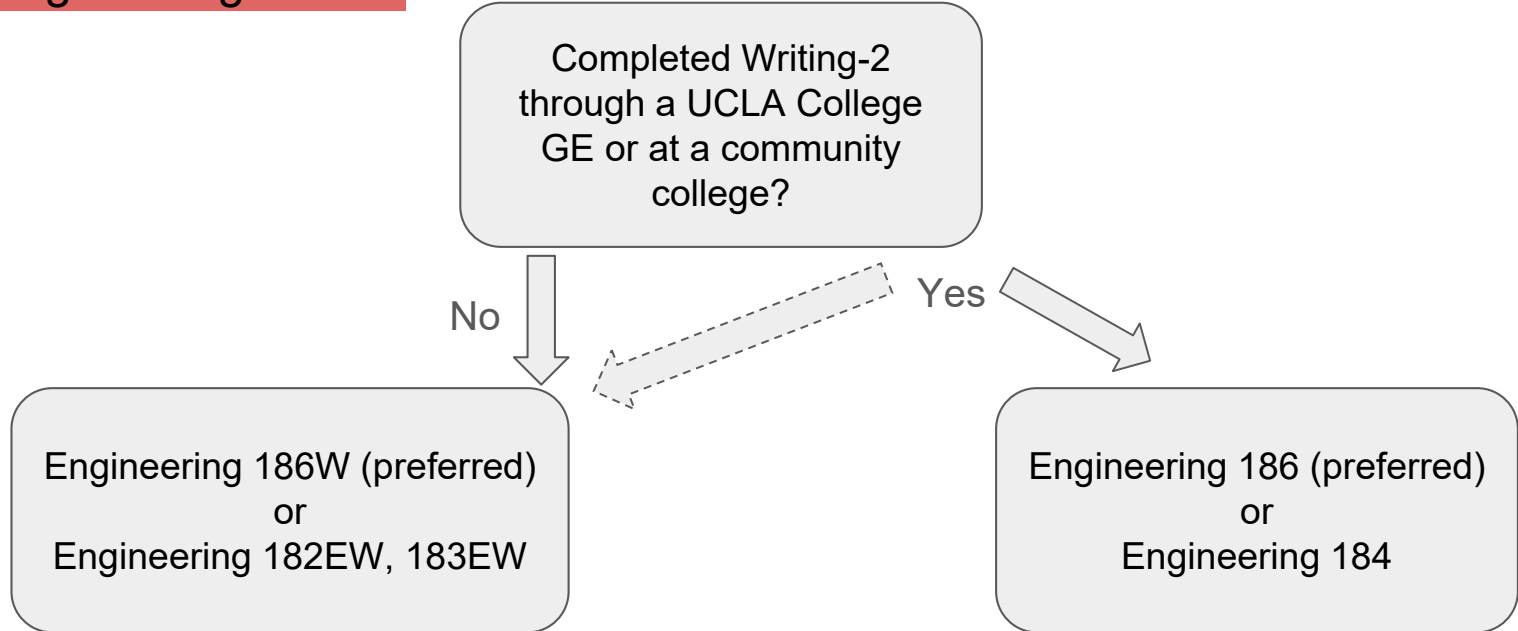

Yes

Engineering 184 (preferred)
or
Engineering 186

Computer Science and Computer Science & Engineering

Computer Engineering

Completed Writing-2
through a UCLA College
GE or at a community
college?

No

Engineering 184 (preferred)
or
Engineering 2* or 186

*DA/DW courses contain ethics content so
the two-unit option Eng 2 is allowed

Yes

preferred

Engineering 184 (preferred)
or
Engineering 186

Capstone design course with writing 2:

ECE 180DA/DW

Capstone design course without writing-2:

ECE 183 DA/DB

Electrical Engineering

Completed Writing-2 through a UCLA College GE or at a community college?

No

Yes

preferred

Engineering 184 (preferred)
or
Engineering 2* or 186

*DA/DW courses contain ethics content so the two-unit option Eng 2 is allowed

Engineering 184 (preferred)
or
Engineering 186

Capstone design course with writing 2:

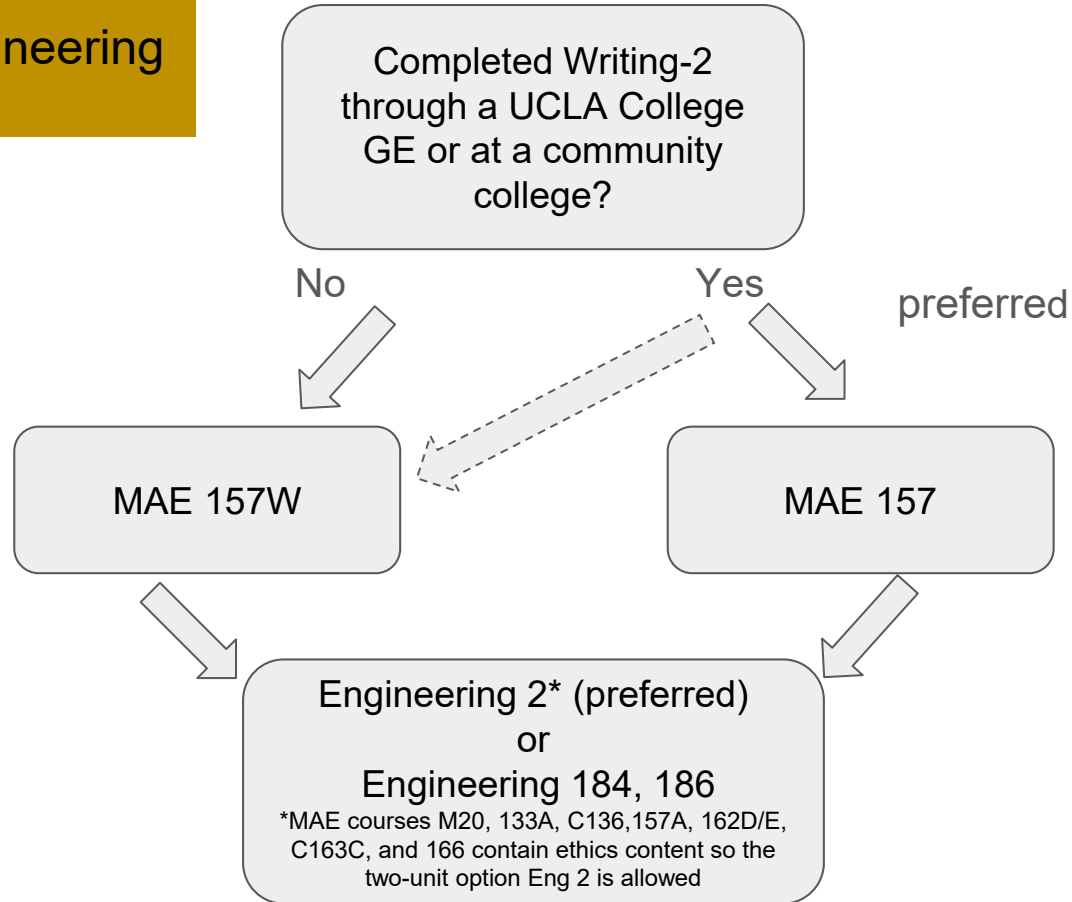

- ECE 113DA/DW
- ECE 115DA/DW
- ECE 121DA/DW*
- ECE 180DA/DW

*121DA/DB expected to be converted to DA/DW soon

Capstone design course without writing-2:

ECE 163 DA/DB

Mechanical Engineering and Aerospace Engineering

Materials Science

Completed Writing-2
through a UCLA College
GE or at a community
college?

No

Engineering 183EW (preferred)
or
Engineering 182EW or 186W

Yes

Engineering 184 (preferred)
or
Engineering 186
