

Internship/Full-Time: Simple Pickup

The 2+ million subscriber YouTube channel, Simple Pickup, is starting a new venture: Jumpcut Studios, and we're looking for both part-time and full-time software engineers to build out our new company. This is a paid position, and you'll be working with our strong engineering team to build out the next great media destination for generation Y. Bring your enthusiasm and skills, check out <https://angel.co/jumpcut-studios-2>, and send over a resume/Linkedin to jobs@simplepickup.com for the full scoop.
