

## Singapore Internship

Contact Singapore, together with leading research institute A\*STAR, is inviting top university students to apply for summer internships as part of its Experience@Singapore initiative.

Experience@Singapore is a program that allows global talent to experience working and living in Singapore - a vibrant talent hub located at the crossroads of Asia. Each internship project will last between 3 to 6 months, and will start in July 2012. Applicants should make plans to arrive in Singapore before 28 June 2012 to participate in an enriching and lively orientation program organized by Contact Singapore
