

2018 Paid Summer Internship - Credit Analyst

City National Bank is looking for qualified undergraduates to complete a paid Summer Internship in the Specialty Banking Division. Summer Interns will be located in downtown Los Angeles and work with one or more of the following groups within Specialty Banking:

- Structured Finance (cash flow/leveraged lending),
- Franchise Finance (lending to operators of franchises such as McDonald's, Wendy's and Taco Bell),
- Food & Beverage,
- Healthcare Finance,
- Capital Finance (asset-based lending), and
- Syndications (CNB agented transactions)

Summer Interns will be exposed to all aspects of credit underwriting and work on active deal teams. For example, Interns will analyze borrower financial performance, update/create enterprise valuations, and analyze industry performance. Successful interns will learn the basics of credit underwriting, financial statement analysis, and deal structuring. Interns will also learn how to use common industry analytic software such as S&P Capital IQ, Moody's RiskAnalyst, IBIS World and others.

The Summer Interns will interact with interns from other divisions within City National Bank, including Entertainment, Wealth Management, and Private Client Services, and participate in bank-wide orientation programs.
