

Summer 2017 Insight Fellowships

750+ Insight alumni are now data scientists and data engineers at Facebook, LinkedIn, The New York Times, Apple, Airbnb, Netflix, Memorial Sloan Kettering Cancer Center, Uber, Seven Bridges Genomics, Twitter, Bloomberg, NBC, Microsoft, and 200+ other top companies.

Insight Fellowship:

- 7 week, full-time, post-graduate training Fellowship leading to full-time industry employment
- Mentorship from leading industry data scientists, data engineers, and AI experts
- Join an active community of Insight alumni
- Self-directed, project-based learning with support from Insight throughout the whole process
- Tuition-free with need-based scholarships available to help cover living costs

Insight awards four distinct Fellowships:

Data Engineering (New York City & Silicon Valley) starting May 30th

Deadline: March 29th

For post-docs or Bachelors, Masters, or PhD students who will graduate by September 2017
