

Summer Jobs for Good Causes!: Interview on Your Campus!!!

The Fund for the Public Interest is a national non-profit organization that works to build support for progressive organizations across the country. We run campaigns for the Human Rights Campaign, USPIRG, and Environment America. This summer we will be in over 50 cities, working and lobbying to help win environmental and social justice campaigns.

Currently, we have paid positions open on our campaign staff in each of our locations. We require that interested candidates are hard workers and have excellent communication skills.

As a member of our staff, you will fundraise, build membership for our partner groups, educating and activating citizens on pressing issues. You will also have the opportunity to organize press conferences and build coalitions with other non-profit organizations. While on staff, you gain knowledge of pressing concerns our country is facing, learn how to effectively generate public support, and obtain a firm understanding of the political process.

We will be holding interviews on UCLA's campus on Monday Apr 9th through Wednesday April 11th in 160 Kerckhoff at 10:00am, 2:00pm, and 4pm.

- Earn on average \$4000-\$6000 this summer, working for something you believe in!
