

Sungevity

Power your Career with Sungevity!

Sungevity is actively accepting applications for a range of Full-Time and Part-Time opportunities and would like to invite students from Department of Electrical Engineering to apply.

Sungevity is in a massive time of growth, and therefore searching for the next generation of talent to drive the solar industry to new heights! We're seeking inspired, outgoing individuals for sales and lead generation, and a variety of other roles.

Stand on the Sunny Side and Save the World!
