FOUNDERS DISTINGUISHED GRADUATE FELLOWSHIPS

at **THE UNIVERSITY OF TEXAS AT DALLAS**

Outstanding students planning to pursue the Ph.D. degree are invited to apply for a Founders Distinguished Graduate Fellowship at UT Dallas.

This new program will prepare participants for leadership in research organizations, universities, and industry. Fellows will pursue their education and research while gaining experience as principal investigators of research projects and mentors of junior colleagues.

Up to 12 Fellows will be appointed annually for four-year terms. The Fellowship stipends are \$36,000 annually, all tuition, fees and insurance costs are covered, and each Fellow is provided a discretionary fund for the four-year period of

\$100,000 that may be used for travel, supplies, equipment, support of research assistants and other purposes.

Additionally, Fellows will participate, along with faculty mentors, in professional and personal enrichment activities, such as organizing workshops and conferences, arranging visits to campus of distinguished guests, participating in seminars on writing and professional presentations, and meetings with government and business leaders.

Fellows will have abundant opportunities to enjoy the rich cultural resources of Dallas and the social and intellectual engagements that the community of Fellows and University faculty will offer.

Finalists will be funded to visit UT Dallas for interviews on the weekend of **January 16-18**, with Fellows announced in the spring.

For application information and program details, see utdallas.edu/foundersfellows, or contact us at FoundersFellows@UTDallas.edu or 972-883-6745.
