

Tutor Spree Positions

Tutorspree.com <<http://Tutorspree.com/>> is offering UCLA Engineering students an easy way to earn extra income this summer.

Tutorspree <<http://www.tutorspree.com/>>, featured in the /Wall Street Journal/, /Huffington Post/, and /BusinessWeek/, is looking for talented teachers who have experience tutoring K-12 subject matter, foreign languages, music, and Test Prep (SAT, ACT, APs). Our top tutors earn thousands of dollars a month on a part time basis and we invite you to join our growing community!

Tutorspree is an online resource that gives parents an easy way to search and book local K-12 tutors. Unlike a traditional tutoring agency, we let our tutors determine their own hourly rates and schedules and never force them to sign a contract. Once you signup, Tutorspree gets to work advertising your talents and sending great students your way.

Signing up is free and only takes a few minutes. To sign up, go to <http://www.tutorspree.com/update-profile/new> <<http://www.tutorspree.com/update-profile/new>>. Should you have any questions you can contact us at tutors@tutorspree.com <<mailto:tutors@tutorspree.com>>.
