

## SHARE YOUR KNOWLEDGE. MAKE A DIFFERENCE.

**310TUTORS** is an exciting, innovative educational company with a vibrant learning center in Santa Monica. We create transformative learning experiences through engaging, after school tutoring for K-12 students. We are seeking driven, dedicated, and enthusiastic tutors who will help our students reach their highest achievements. If you're someone who loves helping others find success and happiness in education, we'd love to hear from you!

### **Applicant Requirements:**

- You must have at least a bachelor's degree or be pursuing a degree.
- You must be personable, empathetic and engaging.
- You need to be available at least 6 hours a week during our regular instruction hours: M-Th, 3:30-7:30PM, in addition to 1 weekend day. Our tutors typically work 10-20 hours a week, and as much as 30 hours a week.
- You should have tutoring experience and/or a passion for teaching.

We have many tutors who are UCLA students and graduates, and we would love to hire more! We are hiring tutors to start now. Currently, we're seeking tutors who can teach up to high school math and/or science, including:

### Math Subjects

Algebra 1 & 2  
Geometry  
Precalculus  
Calculus  
Statistics

### Science Subjects

Biology  
Chemistry  
Physics  
AP Biology  
AP Chemistry

Versatility with other subjects is a plus. The rate is \$15-\$18 per hour.
