Listing Title: Lab Assistant

Job Type: entry-level

(internship, entry-level, or experienced)

Desired Major(s): All majors

Location: 14-131A, Engineering IV, UCLA

Listing Deadline: no deadline

(mm,dd,yy or "no deadline")

Job Start Date: 06, 17, 13

(mm,dd,yy)

Work Schedule: part-time

(part-time or full-time)

Should it be emphasized that candidates are authorized to work in the US? no

Job Description:

Part time (12-15 hours/week) Lab Assistant 1 position is now open working in the School of Engineering's Nanoelectronics Research Facility. You will work with a dynamic team of engineers supporting one of the School's premier research laboratories. Work will be split about 50% between working in class 1000 cleanroom and in the office.

DUTIES:

- Handling and transporting hazardous chemical waste
- Cleaning and maintaining laboratory glassware, wardrobe, and environment
- Assisting with inventory control and ordering
- Understanding and enforcing laboratory protocols
- Generation and collection of equipment log sheets
- Recording equipment parameters eg water level, gas pressures etc.
- Assisting in customer billing and mailings
- Assisting in new customer setups: recording data, making badges, filing paperwork

REQUIREMENTS:

- First- and Second-year student preferred
- Computer proficiency in data entry, using email and web browser
- Can carry at least a load of 25lb
- Basic chemistry laboratory knowledge (AP Chemistry Level in high school) preferred
- Ability to follow directions and protocols strictly (i.e. wearing smock and boots) and being punctual
- Highly organized and neat to handle large volumes of paperwork
- Good communication skills to interface with staff, students, and customers. Also must be able to clearly use the phone for ordering parts and obtaining information.
- Being self-motivated and proactive in maintaining the cleanliness and organization of the cleanroom environment
- Good math skills for data and accounting summary
- Fast learner for checking highly specialized equipment
- Neat professional appearance for working with customers
