

UCLA Resume Deadline for Edwards Lifesciences, 10/14

Edwards Lifesciences offers two competitive career paths for engineering new graduates; the Technical Development Program and the University Engineering Program. We invite students at UCLA to submit their resume to be considered for our on-campus interview sessions. You must submit your resume through BruinView by midnight Sunday, October 14th.

Log in to your BruinView account. Search for the Edwards Lifesciences Engineering New Grad posting and apply!

The Technical Development Program (TDP) is an 18 month rotational program that gives you the opportunity to explore different business units and functions within Edwards.

The University Engineering Program is an exciting opportunity to launch your career directly into an engineering role within one of our various business units.

When you apply, you'll automatically be considered for both programs. The deadline date is Sunday, October 14, 2012

HEAR WHAT OUR ENGINEERING NEW GRADS HAVE TO SAY:

Visit our New Grad Engineering Program video site at <http://www.aftercollege.com/t/ZFMDVBQjE2Qj/zoSQIzbLQKJwsw77/> and discover for yourself what makes the Edwards new grad programs so rewarding.

We look forward to hearing from you!
