Let your coursework come alive
Travel Study gets you out of the classroom and into the real world. Study Roman history while walking the ancient streets of Pompeii, discuss global diplomacy with a UN ambassador, or visit community health clinics in the Amazon. Led by UCLA faculty, Travel Study programs incorporate walking tours, meetings with local experts, day trips, and museums so you don’t just study the material – you live it.

No application! Simply register to reserve your spot
No need to spend hours on a competitive application. Registration for Travel Study is open to anyone 18 and older with a high school diploma and who is in good academic standing. Your spot is guaranteed on a first-come, first served basis. A non-refundable deposit of $300 is required to reserve space in the program.

Get credit toward your degree
UCLA Summer Travel Study courses are part of UCLA’s regular curriculum and carry full academic credit, so you’ll make progress toward your degree while traveling the world. Courses last 3–5 weeks and earn 8–13 units of UCLA credit. All courses appear on your UCLA transcript and must be taken for a letter grade.

Convenient accommodations
Travel Study makes all your housing arrangements for you. Accommodations vary by program and range from hotels and residential facilities to homestays.

Financial Aid and scholarships available
Financial aid is available for qualified UC students and must be applied for through your home campus. UCLA students may also apply for a Travel Study scholarship as well as other scholarships. Non-UCLA students should consult their home institutions about financial aid availability, processes and deadlines. The free application for federal student aid can be found on fafsa.ed.gov.

* UCLA Financial Aid Recipients must complete a separate travel study financial aid application on MyUCLA. Scholarships and financial aid are available to qualified students!

WHAT DO TRAVEL STUDY ALUMNI SAY ABOUT THEIR STUDY ABROAD EXPERIENCE?

“My education at UCLA was dramatically improved by my experience in New York this summer. In part because I truly became a global citizen, and got to experience and interact with many of the actors I had only learned about in my Global Studies courses. And because the program exposed me to a variety of potential career options and paths I had not previously considered.”

Kyra
Global Studies, New York City

“As I reflect on my trip, I am so grateful to have had the chance to take that leap of faith and book that ticket. Since being back to Los Angeles, I have a new excitement for exploring and finding new experiences in my own city.”

Carly
Global Studies, Paris

“The faculty on this program were absolutely incredible. Our professor and TA are two of the best faculty members I have had during my time at UCLA. They were both great at teaching their classes, but what really made them incredible was how we were able to bond with them.”
