

## **Engineers for Exploration REU Program at UC San Diego**

The University of California, San Diego is currently taking applications for a 10-week paid summer undergraduate Engineering internship! The UC San Diego Engineers for Exploration program is a full-time research experience that provides the unique experience of developing technology to drive future exploration. You will be working and collaborating with explorers and conservationists at organizations such as the San Diego Zoo, National Geographic, El Zotz Maya Archaeological Site, Hubbs SeaWorld Research Institute, California Wolf Center, and Scripps Institution of Oceanography. For more information, please visit: <<http://e4e.ucsd.edu>>

**Application due date is Monday, February 15th.** Applications received by this date will receive full consideration. Applications will continue to be accepted through March 15th if positions are not yet filled.

**Application website:** <https://reumanager.com/efore/>

Please feel free to email [jmatsuda\[at\]ucsd.edu](mailto:jmatsuda@ucsd.edu) if you have any questions.
